guide

## EMERGENCY INFORMATION

- The area emergency shelter is located inside building 586.
- For tornadoes, seek shelter inside immediately. Stay away from windows. Crouch low & cover your head. A long siren will blast to notify of danger.
- To report a fire, dial 911. Seek an open area away from the fire. Do not stay indoors.
- To report a crime or suspicious activity, call security forces at 501-987-3221.
- For medical emergencies, dial 911. The base does not have an emergency room.

### Nearest Major Hospital:
