

WHAT IS IT?

UNITE is designed to revitalize squadrons by providing squadron commanders with funding & options to facilitate unit cohesion.

ELIGIBILITY

SF/AF Active, Reservist and Civilian (appropriated & nonappropriated employees) directly assigned to a squadron. Commanders can authorize spouses & dependents to receive the allocated amount per person. The unit dollar allocation will continue to be based on unit official manpower totals & will not increase with the inclusion of dependents.

TYPES OF PROGRAMS

Ready to Execute: UNITE with FSS!!! Our FSS customized UNITE programs are easy to execute and within the UNITE per person budget. The UNITE Community Cohesion Coordinator can assist coordinating with the appropriate FSS activities.

Unit Developed: Squadrons are encouraged to develop "unit-specific" programs.

Free/Volunteer: Not all team building events/activities have an associated participation fee. Squadron runs, beach-clean-ups, and sporting activities are all examples of free and cohesive activities. *UNITE food funds can be requested in conjunction with an approved free/volunteer activity.*

UNITE Grab & Go Menu: Consider using the UNITE Grab & Go Menu to support your UNITE events. Select from a variety of breakfast and lunch options. All orders are conveniently picked-up at an FSS food establishment.
